Project #11: Birds and Nests

- Using a Bird or nest Template: glue feathers, twigs, grass, hay etc. onto the shape.
- For a nest you can draw a nest shape, cut it out and decorate the way you like.
- Add Baby birds to the nest.
- If you have a real birds nest; display it and talk about it.
- Go for a Nature “Bird Walk” and notice the various types of birds.
- Listening for the baby birds as you may hear them.
- Talk about safety for the Baby Birds such as you do not touch them should they fall from a nest.
- Take a river walk or a walk in the park and notice the ducks and the geese.
- Talk about safety around the Geese as they can be very territorial.
- Try not to Scare the Birds.
