

## **“Ann’s Creative Corner”**

### **Project #47: Planets!**

- Cut out various planet shapes. Paper plates are good for texture and shape.
- Glue onto construction paper (Dark blue or black)
- Add some wispy clouds with chalk.
- Use some paint for Sponge painting planet Shapes.
- Bingo dabbers can also make some nice planet shapes.
- Have children cut out their own planet shapes.
- Be creative as there are no rules.
- Use non-toxic light coloured felt markers and white or yellow crayons.
- Add Cotton for night clouds and texture.

Read a story about planets; Space Station.

How many main planets are there?

What planet do we live on?

Where do the Astronauts fly to?
