Project #29: May Colourful Flowers!

- Cut out various shapes of leaves and flower petals.
- Cut Circles for the Center of the Flower.
- Cut long stems that can be straight or curved.
- Cut Grass pieces.
- On a strong piece of Construction paper, glue the pieces on in any way that suits you and the child.
- Create together. Find a friend to create with.
- Add detailing in with Non-Toxic Felts and crayons.
- Add a few sparkles, Add some seeds (grass seed) to the center to create the seeds of the Flower.
- Add the sun or the Rain.

April Shower’s Bring May Flowers!

Movement chant:

See them Growing, See them growing

From the ground, from the ground.

Red and yellow, purple and orange, purple and orange

Red and yellow, purple and orange, Growing, growing in the sun!
