

## “Ann’s Creative Corner”

### Project #46: Rockets!

- Create a Rocket Shape
- Glue onto Dark Blue or Black construction paper.
- Add details to the Rocket such as windows, people, fire strips at the bottom of the Rocket.
- Use some sparkle glue for the sky.
- Add stars and planets.
- Be sure to add the earth where we live!
- Use some chalk for the “Milky Way”
- Use some sticker stars.

### Song: “Zoom, Zoom, Zoom”

Zoom, zoom, Zoom we’re going to the moon

Zoom, zoom, zoom we’re going to the moon

If you want to take a trip, climb aboard my rocket ship.

Zoom, zoom, zoom we’re going to the moon.

In 5, 4, 3, 2, 1 Blast Off!

(Do actions to the chant and jump up to fly to moon. Small children or babies can be held to fly up in adult’s arms)
