

“Ann’s Creative Corner”

Project #48: Tools

- Create some Tool Shapes such as hammer, saw, screwdriver, pliers, wrench etc.
- Children can add details as they like
- They can colour them with non-toxic Felts or crayons.
- Try Bingo Dabbers.
- Add some shiny paper to the saw shape on the “BLADE” part.
- Make some tool shapes and paint on an easel.
- Paint some tool shapes outside on the fence.

Add some plastic tools to your sandbox and see how they can fix or make things.

Action Song/Chant: “Bumping Up and Down”

Bumping up and down on my little red wagon (3 times)

Won’t you be my buddy.

One wheel’s off and the axels broken (3 times)

Johnny going to fix it with his Hammer (3 times) (various tools)

Bumping up down on my little red wagon
