

## “Ann’s Creative Corner”

### Project #51: Father’s Day!

- Cut out some bow ties, ties, cars, trucks, tools etc. to glue onto a card shape.
- Card shapes can be as shown below or a plain square or rectangle.
- Add some details to the card such as a Father’s Day Verse in appreciation of Daddy.
- What does your Daddy do for work? Add those details.
- Add some hearts. Draw yourself and Daddy.
- Draw something with non-toxic Felt markers or crayons.
- Use some small cars with wheel painting for background design. Run small car through some liquid paint and roll onto the surface of the card. (paper towels with soaked in paint work well)

Song: Tune: “Are you Sleeping, Are you Sleeping”

I love Daddy, I Love Daddy, Yes I do, Yes I do.

And my Daddy Loves me, And my Daddy Loves me.

Loves me too, Loves me too!
