### Project #54: Log Boons!

- Using a piece of cardboard such as a part of a box or even the lid of a shoe box could be used.
- Draw in or paint a river.
- Add some details like trees and other scenery.
- Gather some sticks or straws or Popsicle sticks.
- Glue them onto the Cardboard using non-toxic White Liquid glue (School Glue)
- Add some cotton or other natural items around and on the logs when dry.
- Use a toy boat to play with your new Log Boon on the river.

Field Trip: Go to the River for a walk to observe the river, tug boats & log-boons.

Song: “Row, row, row your Boat”

Row, row, row your boat gently down the stream,

Merrily, merrily, merrily, life is but a Dream,

Row, row, row your boat, gently down the stream,

Looking for the alligator, don’t forget to scream! Ah!

(Use various things to find in the stream, can be a dog (woof), cat (meow), frog (ribbit) etc.
