

“Ann’s Creative Corner”

Project #59: Balloons!

- Create a balloon shape out of construction paper.
- Try different shapes, sizes and colours.
- Decorate by drawing and gluing onto the shape.
- Using a Hole puncher attached some light string or ribbon for a “handle”.
- Use some Crepe paper Streamers for the bottom by using a Glue Stick for the children
- Add other details, sparkles, glitter glue, stickers etc.
- Make Balloon Mobile by making small balloon shapes and attaching with string to a stick. Use many colours

Activity: Go outside and “Fly your Balloon”

Reminder that real balloons are not safe for children under the age of 8 years old as they can be a choking hazard.
