### Project #87: Christmas Trees

- Cut out two Evergreen Shaped trees.
- Can be any colours you choose. Sample is red and green or could be all green.
- Fold the trees in half as shown.
- Glue one part of each tree together as shown.
- This makes a 3D standing tree.
- Now the fun part is to decorate it!
- Use bingo dabbers, felt markers, crayons, sparkles, stickers, cotton balls (tiny pieces) and stickers.
- Maybe attach a string to it to hang up.
- Think about maybe creating a Mobile by placing the trees on a stick.

**Activity:** Go for a Christmas tree walk. Observe the houses and yards with decorations. Observe the evergreen trees on the paths and in the forested hills and mountains.

### Song: "Oh Christmas Tree"

Oh Christmas Tree, Oh Christmas Tree

How lovely are your branches.

Oh Christmas Tree, Oh Christmas Tree,

You Stand in splendid beauty,

Oh Christmas Tree, Oh Christmas Tree,

How lovely are your branches.
