Project # 21: April Showers Bring May Flowers!

- Cut out an Umbrella shape.
- Colour, draw on it, glue shapes on it, use Stickers (stickers are not too creative and too easy though). Maybe use Glitter or Glitter glue, maybe a little paint on large easel shaped paper.
- Use a cloud shape and glue many clouds onto a piece of paper. Draw things in the picture such as trees, flowers, animals, birds, houses, people or whatever you can think of.
- Add raindrops cut out of paper.
- Have children that can use scissors make their own paper raindrops.
- Add some Lighting bolts for a storm!
