Project #64: Swimming Fun!

- Using a pie plate create your own swimming pool.
- Paint it Blue or Green.
- Let Dry.
- Add some details by drawing or use some magazine or newspaper flyer pictures.
- Add some bubbly paper to give it texture. (Packaging bubble paper works well).
- Place your pool on a piece of construction paper and glue it on. This will be slightly raised as the paper plate will be shaped to raise it a bit.
- Draw in a glue picture around your pool.
- Add photos of yourselves.
- Add some swimming pool details such as blankets, towels, tables, chairs etc. “Swimming Noodles” are an idea.
- Sparkles are a nice touch too.

Pool Trip: Go to an outdoor pool in your area. Some are open now. Be sure to talk about pool safety. Always be in arms reach to all children up to the age of 7 years old. Always be in view of the children and advise them how to be safe!
