

“Ann’s Creative Corner”

Project #69: Sheep!

- Using Cotton Pods, Google or Sticker Eyes, plus some construction paper details.
- Glue two cotton Pods together to form Body and Head of your sheep. (add more cotton balls if you like)
- Glue on legs from construction paper with your glue stick.
- Cut out face and ear details and glue on to design face.
- Add googly eyes or sticker eyes.
- Add this sheep to your Farm Mural if you made one yesterday.
- Make many sheep and have a “Herd of Sheep”!

Activity: Go to a Sheep Farm. Sometimes there are tours within the Farms on sheering sheep and also they may have a demonstration of how the wool is spun!

Song: “Baa, Bas Black Sheep” (white sheep, purple sheep, blue sheep or whatever the children choose)

Baa, Baa, Black Sheep Have you any wool,

Yes sir, yes sir, 3 bags full

One for Jason, One for Joey,

One for Sarah who lives down the Lane

Baa, Baa Black Sheep Have you any wool,

Yes sir, Yes Sir, 3 bags Full
