Project #70: Hay Loft, Hay Piles

- Gather some Straw from outdoors such as along the Riverfront.
- On construction paper either draw or use a pre-made template or paper barn for the barn.
- Add in details in the barns Hay Loft.
- Create another hay pile outside the barn.
- Use the straw grass to make the ground.
- Use the Straw to make fields of hay.
- Add some animals to your picture.
- Cows and horses like to eat the hay.

Activity: Go for a nature walk first to gather the “Hay” or long grass. Let it dry if wet. If you find some with soft “flower type tips” try painting with it! Just dip into paint and add this to your Barn/Farm/Hay picture.

Song: “The Farmer in the Dell” (choosing child for each character)

The Farmer in the Dell, The Farmer in the Dell

Hey ho the Dairy O, the Farmer in the Dell

The Farmer takes a wife, the Farmer takes a wife

Hey ho the Dairy O, the Farmer takes a wife

(child, nurse, dog, cat, rat, cheese and final the cheese)

The Cheese Stands Still, The Cheese Stands Still. (cheese stands still not alone and clap)

Hey Ho the Dairy O, The Cheese Stands Still.
