Project #91: Christmas Bells

- Make a bell shape tracer out of Poster Board.
- Punch two holes at the top as shown below.
- Cut some ribbon and weave into the holes.
- Create a Bow and tie double tie to secure it in place.
- If you use some wrapping type string, you can use a smooth object such as a butter knife to run along the edge between you finger and dull part of the knife edge. Slip the wrapping ribbon through and it will create a curly effect.
- Next decorate your bell with felt marker, crayons, sticks, stars, sparkles, paint etc.
- Punch more holes on edges if you like. This could also be string or ribbon woven through the holes (great for fine motor control for the children)

Song: Jingle Bells:

Dashing through the snow in a one-horse open sleigh,
Over the Fields we go, laughing all the way (ho, ho, ho)
Bells on Bob Tails Ring, Making Spirits Bright,
What fun it is to ride and sing our sleighing song tonight!
Oh! Jingle Bells, Jingle Bells, Jingle all the way,
What fun it is to ride and sing in one horse open sleigh.
Hey! Jingle Bells, Jingle Bells, Jingle all the way
Oh! What fun it is to ride in a one-horse open sleigh!!!!
