

Ann's Creative Corner

Project # 93: Penguins

- Cut out a black shape from construction paper as shown below.
- Cut a small White oval for the Facial Features and a medium sized oval to make the body Tummy.
- Cut some orange Triangles for the feet and beak.
- Using a glue stick, put all of pieces together as shown.
- Add facial details with Felt markers, crayons or stickers.
- Add some white paint.....
- Add some cotton to the body.
- Place more than one penguin on a blue piece of construction paper and create a pond, snow scene, with ice and snow details.
- Another idea would be to make a Penguin Mobile.
- Using a stick or something like a wooden spoon, attach many penguins with dangling string.

Felt Story (create the penguin shape with details)

5 Little Penguins

5 Little Penguins standing in a row. The first little penguin so lets go, go go.

Now there are 4! 4 Little Penguins standing in a row,

The fourth one said row, row, row, Now there are 3!

3 Little Penguins Standing in a row, The 3rd one said, let's climb, climb, climb

Now there are 2! 2 Little Penguin standing in a row,

The 2nd one said, lets ski, ski ski. Now there is 1!

One little penguin standing all alone, the 1st one said come back, come back!

Now there are 5!
