Project # 95: Snowmen

- Cut some round circles out of white paper. 3 sizes are best.
- Cut some cube shaped white paper.
- Cut out some Branch/Stick Shapes for arms.
- Use some stickers, googly eyes, felts, crayons for eyes.
- Cut out some orange triangles for Carrot nose.
- On another piece of construction paper, glue circles, for snow person's body
- Or use the cube shapes for an abstract type (ice cube) snow person.
- Add some cotton balls if you like (pull cotton balls apart to stretch the cotton as it is lighter and easier to glue on with your glue stick.
- Add sparkles, paint, bingo dabbers etc.
- Make it into a snow scene on your paper by adding clouds, snow, trees, houses etc.

Activities:

Go for a walk in the snow or observe the snow on the mountains. Read Snow stories. Grind some ice from your freezer to make snow. Build a snowman if you can on a snowy day!
