

## **Ann's Creative Corner**

### **Project #115: First Nations Totem Poles**

- Find a template for various totem poles.
- Add some colouring details to your print.
- Glue this onto a piece of construction paper.
- Create the shape of a totem pole by connecting the paper into a tube shape and staple, tape or glue it together.
- Make many of these and perhaps, set them all together in a maze onto a piece of cardboard.
- Think about creating a shed design for a mural such as the workspace for the totem pole creators.
- Add some carving tool photos.
- Look in magazines for First nations photos and totem poles.
- Make a collage.

#### **Activity time and songs:**

Look for First Nations books. Sing some songs that may be First Nations. Use a Drum for the songs. Visit a park with Totem Poles. Stanley park has a history of Totem poles. Beaded jewellery is good for this topic. Look for a "Dream Catcher".

Look for some artifacts to view. Go to a Museum and learn about First Nations.
