

Ann's Creative Corner

(Project Provided by Kid's Care Preschool)

Project #120 Fork Tulips!

- Pour various colours of non-toxic liquid paint into some small cups such as recycled fruit cups or pudding cups.
- Using a plastic fork, dip it into the paint pot.
- Using scraping motions to form the lines of the tulip. (Have a sample Tulip to observe or plastic flower)
- You may also use the fork for the leaves off your stem.
- The stem can be painted on using a THIN paint brush or Q Tip.
- Form a garden if you like.
- Add the sunshine, trees, birds.....
- Tissue paper could also give this a 3D effect maybe adding this for the grass.
- Think of some other ideas.
- Let the children explore and create their own design.
- A fork could also be used to paint the lines of the Sunshine!
- Add some sparkles to your sunshine.....

Activity:

Go for a walk and observe the various Springtime flowers that are blooming. Can you find some tulips? Go to Garden Center. Buy some tulips in a potted plant. Look at the Tulip Bulb on the root of the tulip.
