### Project #126: Easter Bags (Project by Kid's Care Preschool)

- Take a "Lunch Style Paper Bag" of any colour.
- Cut out some rabbit ear shapes, whiskers, nose and mouth shape.
- Glue these onto the paper bags as shown or let the children be creative with them. They may choose to make a Beard with the Whiskers and that is okay!
- Add some googly eyes or sticker eyes for the younger toddlers
- You may want to draw the eyes on too.
- On the back of your bag add a little fluff tail of cotton.
- White non-toxic children's glue is good for this project.
- When dry, these bags can be used for an "Egg Hunt" or they can also be use for the Easter Morning Treats that the "Easter Bunny" puts in them.

### Action song: Robbie the Rabbit

Robbie the Rabbit is fat, fat, fat

His soft little paws go pat, pat, pat.

His soft little ears go flop, flop, flop

And when he runs, he goes hop, hop, hop
