Project #144: Mother's Day Portraits

- On a piece of Construction Paper, glue a large paper heart. It could be white or any other colour that will show a drawing.
- Using felt markers, crayons or pencil crayons, children may draw a portrait of Mommy as well as other family members if they like.
- Children may like to include the family pets as well.
- Drawing Flowers for Mommy are also a good idea for this portrait.
- Try some stickers, sparkles and even spray it with perfume.
- A glue stick is nice for this project where you may want to stick Tissue Paper for flowers.
- Fingerprints with paint can make nice flowers. Make the fingerprint with dipping finger into paint. Let is dry and then add some leaves or details with a felt marker.....
- Scented markers would be nice for this project as well.

Mother's Day Song: (tune Are you Sleeping)

I Love Mommy, I Love Mommy,

Yes, I do, Yes, I do.

And my Mommy Loves me, and my Mommy Loves me,

Loves me too, Loves me too.
