Project #145: Mother's Day Bracelets

- Cut some elastic string into a piece about 6 inches long or however you may like as this could be various depending on wrist size. (remember you need to have the length for tying)
- Use some coloured beads with large holes to string the beads through.
- Have children choose their own color of beads and string the beads on the elastic string. Be sure to secure one end of it by tying a bead on one end with a knot. You may need to hold the Elastic for them.
- For younger children, an adult can place the bead on and the child can "pull" the string in a motion as you do this together.
- When the child is finished, tie the ends together with a knot.
- Place the pretty bracelet onto a nice cardboard circle or other shaped cardboard.
- Another idea would be to place it in a small zip lock bag.
- Maybe wrap the gift in tissue paper for Mommy.

Song/Chant: My Mom's Special

My Mom's Special, My Mom's Special,

Look and See, Look and See.

Mommy and Me, Mommy and Me

Mommy and Me, Mommy and Me!
