### Project #156 Paper Bag Craft

- Supplies are – Paper lunch type bag, wool, string, felt markers, bingo dabbers, crayons, sticker eyes, glue stick, etc.
- Decorate your paper bag in anyway that suits you.
- The sample shown shows a face features, wool for hair and some bingo dabber dots.
- You could also cut out some shapes for ears, tails, arms, legs and other features for your person or your pet.
- Think of various animals you could make such as a dog, cat, rabbit.....
- Different shapes of ears and tails.
- Try different types of string or wool and various colours.
- Another idea would be to make your paper bag into a decorative bag to store light weight things in.
- We sometimes use decorative bags to collect nature items.

**Activity:** Go for a walk. Collect nature items in your bag. If you made a pet bag, look for the animals that you made your bag of such as a dog or cat.

Use your puppets in songs such as:

#### “Where Oh Where Can my Little Dog Be?”

Oh, where oh where can my little Dog be.

Oh, where oh where can he be.

With his ears cut short and his tail cut long.

Oh, where oh where can he be (Show puppet)
