### Project # 162 Father's Day Cards

- Cut a car shape out with a fold in the middle as shown so you have a first and second page.
- Draw in some details of windows, doors etc. Or glue on some shapes for the window and doors.
- Add tail pipes too and lights.
- Add some gold sparkles for the lights.
- Draw Daddy and you in the windows of the car.
- Add some stickers of people in the car....
- Open the card and glue on a label with nice Father's Day Poem.
- Write or type the Happy Father's Day on the bottom of the card.
- Sign your name or have an adult help with your name.

#### Chant:

#### My Dad!

Lot's of kid's have Daddy's that are just fine!

I'm very lucky to have you as mine!

Happy Father's Day!
