Project #176: Diving Dolphins!

- Use a blue crayon or other colours if you like.
- Draw a curved line for the tummy.
- Draw another curved line above the first one for the back.
- Add a snout shape for the nose.
- Add two fin shapes to either side of the body.
- Draw an eye and create a line inside the snout part for the nose.
- Add a tail as a curved shape as in picture.
- Colour or paint your dolphin.
- You could make a few of them and create an ocean scene. Add seaweed and other fish....
- Make a mobile of Dolphins by attaching them to a stick or hanger by some strings or ribbons.
- Add some shiny paper to your Dolphin.
- Try adding some sparkles!

Activity:

Go to the Aquarium and you may see some Dolphins doing tricks. Read books on Dolphins. Listen to sounds of Dolphins.
