Project #191: Chalk Plates

- Colour a paper plate with chalk.
- Spray this with some water and let dry.
- See how the colours blend.
- You could also use felt markers for this or bingo dabbers.
- What else you can do is various.
- Try cutting slits into this and see what you can make.
- Maybe it will be a sun shine.
- Attached some tissue paper to it and create a flower.
- Attach some strips of paper to make the sun shine.
- Maybe think of some planets from the Solar System you could make like Earth, Venus, Saturn, Mars, the Moon, etc.

Song: Zoom, Zoom, Zoom

Zoom, zoom, Zoom We are going to the Moon

Zoom, zoom, zoom We are going to the moon,

If you want to take an trip, Climb aboard my Rocket Ship

Zoom, Zoom, Zoom we are going to the Moon
