Project #201: Sheep

- Draw some cloud or sheep body shapes and cut them out.
- Lightly tape onto another piece of light coloured construction paper.
- Using string dipped into green paint dab the entire paper even over the Sheep Body Shapes.
- Let this dry and then remove the sheep body shapes so you will see the plain shape on your paper.
- Add some details such as the legs, ears and face.
- Add some wool or cotton to the body of your sheep.
- Be creative as you may draw these details or use scraps of paper.
- Sticky paper may be used.
- Add some flowers to your field.
- Think of other things that may be in the field and draw them or add some stickers of other animals birds etc.

Activity: Visit a Farm

You may be able to visit a Sheep Farm where they show you how the farmers shear a sheep. Talk about the wool we use for our clothing. The LBU Sheep Farm in Ladner may be possible.
