Project #207: Turkeys!

- Cut out turkey shapes from some various colours of construction paper.
- Draw in some details for eyes and maybe some lines for the feather tail.
- Add some construction paper bits for the facial beak and details.
- Some sticker eyes or google eyes could be used as well.
- Add some feathers with a glue stick for the tail.
- Consider making more than one Turkey or various sizes of turkey.
- Make a turkey collage with a farm and some grass, land, barn, trees and other items in your picture.

Song/Chant - "Five Little Turkeys" (Make up your own words)

Five Little Turkeys standing in a row.

The 1st Little Turkey squawked and then there were four.

The 2nd Little Turkey jumped and then there were three

The 3 Little Turkey flew way up high and then there were two.

The 4th Little Turkey so "Oh let's Go" Then there was one.

The 5th Little Turkey said "I'm going too" Then there were none.

Use this as a felt story, finger puppets or just use your fingers.
