

Ann's Creative Corner

Project #220: Squirrels

- Find some magazine pictures of squirrels.
- Cut them out and prepare for a collage.
- Glue your squirrels onto a piece of paper.
- Add some details such as trees, grass, river front, houses, buildings etc.
- Add the sky with some bird shapes. They can be just an "m" shape as they are in the sky.
- Make a larger squirrel by using a full piece of construction paper.
- Adults or children can cut it out and add details with crayons, felt markers, paint, etc.
- Add some googly eyes for older children and sticker eyes for Toddlers.

Chant with Actions

Hop O Squirrel, Listen, Listen (crouch and hop) (Listen by cupping ears)
Hop O Squirrel Listen now.
