

Ann's Creative Corner

(Project by Kid's Care Preschool)

Project #224: Dinosaur Eggs

- Cut out an egg shaped oval.
- Cut some jagged shaped opening into the center.
- Create a dinosaur shape by using a template or finding a shape online. These can be traced and cut out. Older children may be able to trace and cut out the shape themselves.
- Add some details to your baby dinosaur such as the eyes, mouth, nose.
- Place the baby dinosaur into the "egg" opening and glue in place.
- Next you may like to add more colours with felt markers, crayons, Bingo, Dabbers, some light paint with sponges.....
- Think about other things you could add when the paint is dry.
- Ideas could be sand, straw, twigs, wool, string.....

Activities:

Go to the Library and find some Dinosaur Books.

Look for Dinosaur Puzzles in the store.

Find some dinosaur shapes maybe in the Dollar Store.
