### **Project #276: Gorgeous Gardens!**

- Find some garden photos from an old calendar, books or magazines.
- Create your Gorgeous Garden on a poster board!
- Cut around the flowers and piece and create your own garden collage.
- Think about adding a birdhouse by using paper shapes.
- Add some bird pictures or if you like, try to draw your own bird/s.
- What other details would you like to add?
- Are there some insects to include?
- Possibly there may be Bees in your garden.
- Grass and soil or even weeds can be in your garden.
- Create your own flowers with clippings of paper if you like. Add some tissue paper for a 3D effect.

#### **Song: "Inch by Inch" by Charlotte Diamond.**

Please look it up online as it is very nice. Charlotte Diamond is a local Canadian Singer/Entertainer who lives close by!
