Project #307 Father's Day Ribbon!

- Cut out a Sun Type shape.
- Place a circle shape into the centre of this and glue it on with a glue stick.
- Make some ribbon type shapes to glue onto the bottom.
- Alternatively, you could use real ribbons.
- Write #1 Dad on the circle if you like or another favourite thing about your DAD.
- Add some sparkles!
- Add some Stickers!
- Write on the back of it: To Dad and Love From _____
- Another idea is to write: Dear Daddy, You Care When I am Happy, You Care when I am Sad, You cheer me up, When I'm Feeling Bad. So listen very carefully, To What I have to say, I love you very much. Happy Father's Day!

Book to Read: "Guess How Much I Love You" It is about big Nutbrown Hare and Little Nutbrown Hare.
