

## **Ann's Creative Corner**

### **Project #309 Father's Day Cars and Other Shapes!**

- Cut out various shapes of vehicles or a tie/bow tie that Daddy may like.
- Place on Fold of paper to make two sides of the card when it is opened.
- Add details to the vehicle or just colour it!
- Add some shapes to make doors and windows.
- Use some people stickers to put in the Driver and passenger seats.
- Add some sticker circles for the wheels.
- Use Felt markers or crayons for details.
- Shiny paper is nice for the headlights and taillights.
- Place your words into the Card.(Maybe Mommy or another person can help)

**Activity:** Walk with Daddy to a construction or building area and notice the Men Working and the various vehicles around. Have an ice cream cone or drink with you and your Daddy! Have a Special Day for you and Daddy!

Be aware that not all children have a Daddy but there can be another special person to share a card with!
