Project #312: Bushels of Beans or Collage!

- Very simply cut out some bean shapes. Children can help with this. Beans are not all the same so it is easy to make the curvy shape.
- Use different colours as some beans are green, yellow or maybe other colours too!
- On a brown piece of paper, create your bean collage or bushel of beans!
- Add some tissue paper to your beans.
- Add some skins of the bean or add some real bean seeds (keep the real seeds limited as it is wasting them; they should be planted)
- Have some bean seeds in a container to view.
- Have a picture of beans to view. Have the bean seed packages to view.
- Make a collage of real pictures of beans. Check out some magazines or calendars.

Books:

Jack in the Beanstalk! Be sure that the children understand that it is a fairytale if you read it. Read other books as well about growing beans etc.
