## Project #319: Summer Fun!

- Let's make a fun summer picture!
- Draw your favourite summer activities, foods and toys on a sheet of paper.
- Make a collage from magazine pictures.
- Use some fun stickers to add to your creation.
- Add some photos of yourself, family and friends.
- Think of things you may like to do and try to draw them.
- What kind of foods do you like in the Summer!
- What toys do you play with?
- What do you wear?
- What do you eat?
- Do you take a ride on a boat, plane, train, car.....

### Activity: Read books

Books on summer, travel, boats, trains, planes and other activities you may like to do.

Get some outdoor exercise! Beach, sand, gardening, walking, running, rolling down a nice little hill on some soft clean grass, have some water play in a sprinkler or in a water tray!
