- Using a plain piece of green construction paper, create a field
- Add some small poppies to this by dotting it with a small red bingo dabber.
- Let it dry.
- Add some details to your field of poppies with felt markers, crayons or paint with a Q Tip.
- Add some bits of tissue paper for texture if you like.
- Add some stems to the poppies in the field.
- Add some details to the sky such as Birds and clouds would be nice.
- If you like, add some crosses to your Flanders Fields for memory of those who fought in the Wars.
