Project #360: Winter Clothing Collage!

- Cut out some magazine, calendar or flyer pictures of winter clothing and boots, hats, scarves etc.
- Children can create a collage by glueing the pieces onto a simple piece of paper.
- Children can add some details by drawing around the glued pieces and possibly use a thin paint brush.
- Add some stickers if you like.
- Add some snow or rain to your creation.
- Add some scenery such as trees to the collage.
- Make add your house, condo or apartment building to the collage.
- You could also make a house using various shapes of construction paper and form a house on your main paper.
- Add your People to the house....

Felt Story: "Inside the Red House"

Make a simple felt or paper story using houses of various sizes!

- Inside the red house was a blue house, (add house)
- Inside the blue house was a green house. (add house)
- Inside the green house was a yellow house (add house)

Complete with all the houses you have. Children can each have a house to participate with!
