Project #380: Chinese Temple/Structures!

- Create shapes by cutting various sizes and shapes to form your house, temple, building, store etc.
- Glue them down to form your creation onto some construction paper.
- Add more details by drawing, use stickers, add some textured materials.....
- Add some blue or yellow paper for the windows..... Maybe there is a lantern in the window....
- Add some details to the outer part of your creation such as the sky or stars or Fireworks!
- Make the entranceway or door on the bottom.

Activity:

Find some pictures in magazines, calendars, etc. Read stories about Chinese New Year. Sing! Go for a walk in Chinatown. View the structures of the buildings.
