### **Project #383: Lucky Rabbit!**

- Create a rabbit shape.
- Colour it.
- Add cotton balls, wool or string.
- Create the eye by drawing it. You may like to use sticker eyes or googly eyes (older children for googly eyes as they can be a choking hazard)
- Try painting the bunny with a small QTip.
- Make a collage of various rabbits out of magazine pictures, calendar photos etc.
- Make a field of bunnies by using small stickers and also drawing in the grass and scenery.
- Think of some rabbit foods and try drawing things for your Rabbit like carrots, lettuce and other vegetables a rabbit may eat.

#### **Chant:**

#### **Robbie The Rabbit (create the actions while crouching down)**

Robbie the rabbit is fat, fat, fat,  
His soft little paws for pat, pat, pat,  
His soft little ears for Flop, flop, flop  
And when he runs, he goes hop, hop, hop.
