Project #386: Valentines Cards!

- Fold over a white rectangle piece of construction paper.
- Add a Heart to the front of the card; the outside of the folded paper.
- Add a Verse "I Love you to "pieces" with to and From or Love From ___(Childs Name)___
- Cut various shapes of coloured paper. Try using the zig zag scissors. Children can also help with this.
- Glue you 'Pieces" of paper onto the card in any way the child wishes to do. It looks nice on the Heart of the card.
- On the inside of the card, the children can draw their own picture of anything they like.
- The to and love from should be on the inside of the card.
- Try adding some sparkles or stickers if you like.
- Think about taping a small gift to the card like a very small chocolate Kiss Candy.

Song: Barney Song

I love you, you love me
We're a happy Family
With a great big hug
And a kiss from me to you
Won't you say you love me too.
