### Project #395: Toy Car Roller Painting

(by Kids Care Preschool)

- Cut out some large vehicle shapes from easel type paper.
- Draw in some details with crayons if you like such as the doors and windows.
- Place onto the easel or lay flat on a covered table
- Place some non toxic liquid childrens paint into some small plastic dishes.
- Place your toy vehicles into the paint.
- Roll the vehicle across the paper shape!
- Use various colours.
- Use various toy cars and trucks.
- When dry, add more drawings to the vehicle.
- Try some sticker people or draw people

**Activity:** Talk about vehicle safety and about where you may want to go with the vehicle. Which vehicles are used for construction, leisure, garbage, recycle etc. Go for a walk and note the various vehicle types you see.
