### Project #401: Letters!

(by South Vancouver Family Place)

- Photo copy some large letters as shown below.
- Have children paste these letters onto a piece of construction paper.
- Using small various shaped pieces of scrap paper, the children may glue these on in a mosaic design.
- Talk about the colours and shapes they may use.
- If you use tissue paper and overlap it, it may change the colours to another colour.....
- Try using some see through plastic paper as this will really show the various colour changes.
- Talk about the ABC'S.
- Sing the ABC song.
- Try letters in other languages.

#### Activities:

Read books on the alphabet.

Sing songs about the alphabet.

Look up the phonics songs about the alphabet. (A - H for example with phonics. You can find this on our facebook page in the "Video" section)
