Project #440: Canada Day Flags!

- Cut two rectangle pieces of red construction paper.
- Place these on either end of your rectangle white paper.
- Find a good template of the Red maple leaf shape and create the maple leaf for the centre of your flag.
- Children can glue all the pieces together to create the Canada Day Flag.
- You may like to add other details with Red sparkles or may some red tissue paper.
- Add a straw or stick for the "Handle" of your flag.

Activity Ideas:

Sing and learn the "Oh Canada" song.

Go for a walk and view the Canada Day Flags.

Attend a Canada Day celebration!
