Project #441: Summer Fun: Camping!

- Let's do some summer fun ideas!
- Camping projects!
- Create a mural with tents, people, and scenery!
- Add your favourite camping toys and games.
- Try drawing these.
- Use magazine pictures. Cut them out or adults can help children cut the pictures out. Glue them onto your mural!
- If you have your own personal camping photos, print them on some plain paper and use these.
- Add your friends and family to the mural in photos or try to draw your friends and family. STICK people are great for this. Add the various hair colour, skin colour and clothing you like your people to wear.
- Add some activities to your mural such as games you may play. Balls, hoops, skipping, frisbee etc.
- Maybe there is a lake or a swimming pool at your campsite.....
- Maybe you camp by the beach....

Activity: Go Camping!

Daycamps to visit or overnight camping.

Book ahead and be prepared.

Talk about supplies and safety.

Have a back up safety plan in case of fires, floods or any other emergency you may encounter.

Be prepared for animal safety and awareness such as bears, raccoons, coyotes and even cougars!
