

## Ann's Creative Corner

### Project #465: Harvest!

- Create a Horn of Plenty Shape.
- Cut out various shapes of vegetables and fruits.
- Cut out magazine or newspaper clippings of the various fruits and vegetables.
- Colour your Horn of Plenty and colour you wish. These also can be cut from various colours of construction paper.
- Glue on and in your Horn of Plenty.
- Try adding some details to your fruits and vegetables by drawing or colouring in some details.
- Add some pressed and carrot tops to this or other pressed tops like tomato vines, potato tops etc.
- Tissue paper or more paper cut into seed shapes could also be used.
- Remember to add your real magazine pictures as these are great for colour and realistic pictures!

#### Activities:

- Go to a fruit and vegetable market to view or but items.
- Go to a Farm to see the items in the fields.
- Go to al orchard to view the fruits on trees
- Talk about the seasonal fruits and vegetables. (Fall is apple season in BC)
