### Project #468: Happy Thanksgiving Cards!

- Let's create some Thanksgiving cards for Family and Friends
- You may like to use a template of a print of Festive Dinners or of Turkeys. Keep it in mind that not everyone celebrates with Turkey Dinner and also can be confusing for children as they see Turkeys as a pet or wildlife rather for dinner....
- Your cards may have Happy Thanksgiving, Happy Celebration, or Happy Family Time for examples.
- Use whatever you think is appropriate for decorating your personal Thanksgiving Cards.
- This is great Family and Friends time too!
- Use a variety of techniques. Maybe a painted hand print of your children which could also form a Turkey Shape! This is a good Keepsake as it is your children's Hand size at the time!

### Song: Barney Song: I Love You

I love you, you love me,

We're a Happy Family,

With a great big hug and a kiss from me to you

Won't you say you love me too!
