### Project #505: Canada Geese!

- Look in catalogues, magazines and calendars for pictures of Canada Geese and Ducks.
- Cut around these photos to make a collage.
- Glue your pictures onto a plain piece of paper.
- When it is dry you may like to add scenery and water.
- Or you may like to start your collage with your scenery first and add more later as well.
- Add the sky and the trees and maybe some flowers too.
- Try drawing Geese and Ducks.
- Think of natural items you may like to add like dry grass and straw...
- Use tissue paper is another idea.
- Try adding bits of feathery pieces to your birds.
- Be creative as there is no right or wrong. Children should explore and be creative.
- Let the children be free to express what they envision!

### Song: Five Little Ducks!

5 little Ducks went swimming one day

Over the hills and far away.

One little duck went Quack, quack, Quack

And 4 little ducks came swimming back

Continue till all ducks are gone.

Then "Sad Mother Duck went QUACK, QUACK, QUACK

And five little Ducks came swimming back!
