Project #522: Clouds and Rainbows!

- Create some cloud shapes from white paper, grey paper and light brown paper.
- With glue a glue stick, form your cloud landscape picture by glueing your clouds wherever you like.
- After the clouds are dry, you may like to add raindrops in various areas.
- Perhaps it is a sunny day and you wish to add the sunshine with more yellow circles or draw your own sunshine!
- Maybe the rain and the sun made a Rainbow!
- Try to draw some curved lines for your rainbow.
- Add some highlighter pen to your rainbow such as brightening it with various brighter highlighting markers.
- Think about drawing people or other scenery into your creation.
- Stickers would be okay for your final project details...
- Cotton, Qtip painting

Song/chant: Rain is Falling Down! (Actions with covering eyes)

Rain is Falling Down, Splash! Rain is Falling Down, Splash!

Pitter patter, pitter patter. Rain is Falling Down, Splash!

Sun is Peeking Out, Peek. Sun is Peeking Out, Peek!

Peeking here, peeking there, sun is peeking out, peek!
