Project #680: Spring Lambs!

- Provide a Lamb shape and a sheep shape
- Supplies: Glue Stick, cotton balls and felt makers, crayons, pencil crayons, sticker eyes, googly eyes etc.
- Children may draw in some detail on their lamb and/or sheep with the pens and crayons.
- Add some glue all over the lamb and sheep.
- Then pull the cotton balls apart to Stretch the cotton as this makes a nice fluffy lighter look for your project. This also saves on waste or materials.
- When your Lamb/Sheep are done you may want to make them into a puppet by attaching a wooden stick to the bottom of them.
- Another idea is to place them onto another piece of paper to create a Scenic picture with other details such as the fields, trees, clouds, sun, rain etc.

Song: “Mary Had a Little Lamb” (do actions with the song)

Mary had a little lamb, little lamb, little lamb

Mary had a little lamb, its fleece was white as snow.

It followed her to school one day, school one day, school one day

That was against the rules

But it made the children laugh and play, laugh and play, laugh and play, to see a lamb at School.

The Teacher had to Turn him out, turn him out, turn him out.

As it was against the rules.
