Project #705: Vehicles!

(Kids Care Preschool Projects)

- Create a variety of vehicles from construction paper of various colours!
- Cut out various shapes of squares, rectangles, triangles and circles.
- Supply some shiny paper shapes for the lights and pipes of your vehicles.
- Make a ladder shape from construction paper if your vehicle requires a ladder. (fire truck, cranes etc.)
- Glue all pieces onto a poster board to create your mural.
- Start with a road drawing or add it later to connect your vehicles.
- Add other signage such as: Stop, Go, traffic lights, safety signs etc.
- Add some houses, buildings and scenery.
- Add some 3D paper such as tissue paper for trees and flowers.

Songs:

- Wheels on the Bus
- Wheels on the Train.
- "Zoom Zoom to the moon" for your rocket ship if you make one.
- Various books on vehicles....
- You may choose to use a paper template for some children.
- Stickers may be added.
- Add some people by drawing or stickers.
- Playmat with vehicles would be a fun activity!
