Project #709: Father's Day Trophy Card!

- Cut out a Trophy shape from some construction paper or poster board.
- Add some stickers such as baseballs, soccer balls, hockey or other items that Father's may like.
- Children may draw on the card first and write their to name if they can.
- Add a verse to the inside of the card with a To: _____ and From: _____ or Love From: _____
- Children may like to sign their name by printing it. Younger children who cannot yet print may be encouraged to "Help" write their name.
- Add some sparkles to the card if you like.
- Try adding some other decorative details.
- Make a group Family Card for Dad or Daddy.
- You may also like to make a Grandpa or Uncle or other friends as the child may choose others as well.

Song/Chant: "I Love Daddy"

I Love Daddy, I Love Daddy.

Yes I do, Yes I do

And my Daddy Loves me, And my Daddy Loves Me
Loves me too, Loves me too.
